## **2018 Convention Volume #2**

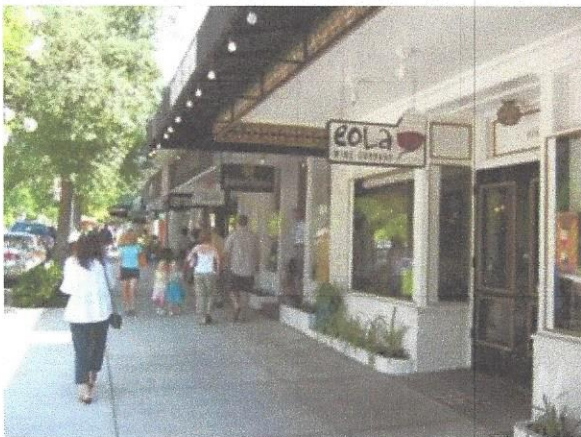

Maitland, one of the oldest incorporated municipalities in Central Florida, is a city rich in history. The area was once called Fumelchiga (Musk Mellon Place) by the Seminole Indians before it was established as Fort Maitland in 1838 by the U.S. Army. The fort was named after captain William Seton Maitland, a hero of the Seminole Wars who, ironically, was never in this area, having died in a battle near Tampa. At that time, the only way of getting to Central Florida was by boat from Jacksonville down the St. Johns River to Fort Mellon (Sanford), then by horse or foot. Fort Maitland was a small fort built on the west shore of Lake Maitland as a rest stop between Fort Mellon and Fort Gatlin (Orlando).

What is now Maitland Avenue was part of the Old Black Bear Trail which ran from Montreal, Canada to St. Petersburg, Florida, and passed by the fort.

Historic Winter Park is just 7 miles to the south east and offers numerous shopping opportunities and Restaurants

Winter Park attractions include Rollins College, Full Sail University and the Charles Hosmer Morse Museum of American Art, which houses the world's largest collection of Tiffany glass.

Park Avenue, or "Park Ave" as the locals call it, is the Main Street and focal point of downtown Winter Park, Florida. Winter Park boasts several major museums and even its own Amtrak station, just a block away from Winter Park's downtown. Also, Rollins College, Florida's oldest recognized college, is located at the southern end of Park Avenue, which gives Winter Park a dynamic, college town feel.

A wide variety of shops, numerous restaurants, and lounges line Park Avenue and surrounding area.

Numerous parks and lakes, including large oak and camphor trees make the city an idyllic location. In fact, Park Avenue is named after the large Central Park located across the street from many of the shops and sidewalk cafes in town. Also, there are several small scenic squares off the main drag where shops and cafes are nestled side by side around quaint fountains.

Although, Park Avenue is the central artery through town, other businesses can be found on side streets including East Morse Avenue, and East Lyman Avenue. More businesses are located in the Hannibal Square district, on West New England Avenue between Virginia and Pennsylvania Avenues within walking distance of Park Avenue. Although Fairbanks Avenue is not as pedestrian friendly as the rest of Winter Park, many unique shops and restaurants can be found along this stretch as well.
